## ABOUT US

The Stockton Animal Shelter is the only municipal shelter for the City of Stockton and the majority of San Joaquin County. The shelter serves as a central location for dog licensing and City of Stockton Animal Control Operations.

The Stockton Animal Shelter works with many different rescue groups, fosters and a collaboration of Animal Control and the Animal Protection League that operates as Animal Protection League (APL).

The Shelter is continuing to grow their relationships with many rescue groups both locally and in surrounding areas to better serve the San Joaquin County community.

# AVAILABLE SERVICES

The shelter provides a number of different services, from adoptions, issuing licenses, neutering, as well as providing several forms of medication and vaccines.

We also provide e-collars and microchips, which are tiny computer chips injected into pets to help identify them in the case of loss or theft.

In addition, we also offer AVID (American Veterinary Identification Devices), a microchip that includes nation-wide registration.
